I/CMANAGING DIRECTOR

1. Eligibility and Qualification requirements:

The bidders must meet the following minimum qualification criteria:

1. The Bidder or its foreign collaborator in the same name and style should be in a similar business (Hardening tunnel) for at least three financial years on the date of opening of the bid. The documentary evidence of being in business for three years shall be submitted.
2. The Bidder or its foreign collaborator should have successfully executed / completed at least three contracts of similar nature (ice-cream/any dairy product/food product). The copy of the PO and completion certificate shall be submitted as evidence of having completed similar nature of works.
3. The Bidder should have valid registration under various Acts that may be applicable for the contract proposed. This shall include but not limited to Income Tax, GST, Employee State Insurance, Provident Fund etc. The same shall be submitted along with the bid.

Where the works are executed for private company the bidder, in support of their eligibility, should submit the copy of the relevant TDS certificate received from their clients for the works.

In the event of merger and acquisition causing change in the name of the bidder the copies of the balance sheets of the previous completed three years (audited balance sheet and profit & loss account) of earlier company whose business was transferred to the new company shall be furnished.

Even though the Bidder meet the specified criteria, the bid may be disqualified in case the bidder has:

- a) Made untrue or false declaration in the forms, statements and attachments submitted in proof of their qualifications.
- b) Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion or financial failure etc.

Note : In case bidder becoming eligible on account of capability of their collaborator for criteria mentioned at Sr. No 1 and/or 2 above, then an undertaking from the foreign collaborator on their letter head, duly signed

and stamped by authorised signatory of collaborator, shall be submitted along with the technical bid as under:

That they shall be responsible for complete designing, manufacturing, testing of equipment at manufacturer's place, selection of the right bought out items of the hardening tunnel

That they shall remain present virtually or physically on need basis for all technical discussions required during tendering stage and post placement of purchase order during detail engineering of the project.

They shall be responsible for preparation of Process flow, P&ID, Layouts, Automation and Electrical details.

Verify and ensure that the selection and part of equipment manufactured in India, if any are meeting the process and functional requirements.

Shall depute their expert at site during installation, testing and commissioning. The performance trial of the tunnel shall also be demonstrated by the collaborator.

Shall provide after sales support very promptly as per need. Shall also impart the training on operation and maintenance.
