Instructions for Submitting Tender Bid

1. **Source of Funds:** Banas Dairy shall undertake the expenditure from its own sources
2. **Eligible Bidders:** This invitation for bids is open to all suppliers who meet the minimum eligibility criteria specified in this bid document.
3. **Eligible Goods and Services**
 - All goods and ancillary services to be supplied under the Contract shall have their origin in an eligible source.
 - For purposes of this clause, "origin" means the place where the goods are mined, grown, or produced or from which the ancillary services are supplied. Goods are produced when, through manufacturing, processing, or substantial and major assembling of components, a commercially recognized product results that are substantially different in basic characteristics or in purpose or utility from its components.
 - The origin of goods and services is distinct from the nationality of the Bidder.
4. **Cost of Bidding:** The Bidder shall bear all costs associated with the preparation and submission of its bid, and the Banaskantha District Co-operative Milk producers' Union Ltd. hereinafter referred to as "the Purchaser", shall, in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.
5. The Bidder is expected to examine all instructions, forms, terms, and specifications in the Bidding Documents. Failure to furnish all information required by the Bidding Documents or submission of a bid not substantially responsive to the Bidding Documents in every respect will be at the Bidder's risk and may result in the rejection of its bid.
6. **Clarifications of Bidding Documents:** A prospective Bidder requiring any clarification of the Bidding Documents may notify the Purchaser in writing through the portal. The Purchaser will respond in writing to any request for clarification of the Bidding Documents, which it receives no later than 1 day prior to the Pre-bid meeting, in case no pre-bid meeting is not later than 10 days prior to the deadline date prescribed by the Purchaser. Prebid Clarifications are to be communicated through the portal without identifying the source of inquiry to all prospective Bidders, which have received the Bidding Documents.
7. **Amendment of Bidding Documents**
 - At any time prior to the deadline for submission of bids, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective Bidder, modify the Bidding documents by amendment.
 - The amendment will be noticed in communicated through the portal to all prospective Bidders, which have received the Bidding Documents through the portal and will be binding on them. The amendment will be attached to the bidding documents sold subsequently.
 - In order to afford prospective Bidders reasonable time in which to take the amendment into account in preparing their bids, the Purchaser may, at its discretion, extend the deadline for the submission of bids.
8. **Language of Bid:** The bid prepared by the Bidder and all correspondence and documents relating to the bid exchanged by the Bidder and the Purchaser, shall be written in the English language, provided that any printed literature furnished by the Bidder may be written in another language so long as accompanied by an English translation of its pertinent passages in which case, for purpose of interpretation of the bid, the English translation shall govern.
9. **Documents comprising the bid**
 - The documentary evidence of the Bidder's qualifications to perform the Contract if its bid is accepted, shall establish to the Purchaser's satisfaction:
 - That, in the case of a Bidder offering to supply Goods under the Contract which the Bidder did not manufacture or otherwise produce, the Bidder has been duly authorized by the Goods manufacturer or producer to supply the goods in the Purchaser's country (original equipment manufacturer certificate).
 - That the bidder has the financial, technical, and production capability necessary to perform the contract.
 - That, in case of a Bidder not doing business within the Purchaser's country, the Bidder is or will be (if successful) represented by an agent in the purchaser's country equipped and able to carry out the Suppliers maintenance, repair, and spare parts stocking obligations prescribed by the conditions of the Contract and/or Technical Specifications.
 - Even though the bidders meet the above criteria, they are subject to be disqualified if they have:
 - Made untrue or false representations in the forms, statements, and attachments submitted in proof of the qualification requirements; and or,
 - Record of poor performance such as abandoning the work, not properly completing the contract, inordinate delays in completion, financial failures, etc.
 - Notwithstanding anything stated above, the purchaser reserves the right to assess the Bidder's capabilities and capacity to execute the contract satisfactorily before deciding on an award.
 - Documentary evidence established in accordance with the Goods and ancillary Services to be supplied by the Bidder are eligible Goods and Services and conform to the Bidding Documents:

19. A statement of deviations and exceptions to the provisions of the technical specification in the format furnished in the bidding document Technical Deviation Statement Form) and a clause by clause commentary on the deviations demonstrating the goods' and services' substantial responsiveness to the purchaser's specifications despite the deviations.
 20. Bidders wishing to offer technical alternatives to the requirements of the bidding document must also submit a bid that complies with the requirements of the bidding document, including the basic technical design as indicated in the drawings and specifications. In addition to submitting the basic bids, the bidder shall provide all information necessary for a complete evaluation of the alternative by the Purchaser, including design calculations, technical specifications, the break-up of the prices, and other relevant details. Only the technical alternatives, if any, of the lowest evaluated bidder conforming to the basic technical requirements shall be considered by the purchaser.
 21. The Bidder shall furnish, as part of its bid, Tender Fees and Bid Security (EMD) as specified in the Tender.
 22. The bid security is required to protect the Purchaser against the risk of the Bidder's conduct, which would warrant the security's forfeiture.
 23. The bid security shall be denominated in Indian Rupees only through online transfer in Banas Dairy Bank Accounts as per the given Bank details in Tender Document.
 24. The successful Bidder's bid security will be discharged upon the Bidders executing the Contract and completion of work and furnishing the performance security.
 25. Unsuccessful Bidder's bid security will be discharged/returned as promptly as possible but not later than 30 days after the expiration of the period of bid validity prescribed by the Purchaser.
 26. The bid security may be forfeited, If a Bidder withdraws or modifies its bid during the period of bid validity specified in the Tender Document. In the case of this successful Bidder, if the Bidder fails to sign the contract and to furnish performance security in accordance with the tender document.
 27. **Period of Validity of Bids:** Bids shall remain valid as mentioned in the Tender after the last date of receipt of the bid prescribed by the Purchaser, A bid valid for a shorter period shall be rejected by the Purchaser as non-responsive.
 28. In exceptional circumstances, the Purchaser may prior to the expiry of the initial validity period solicit the Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing (or by fax or email). The bid security provided shall also be suitably extended. A Bidder may refuse the request without forfeiting its bid security. A Bidder granting the request will not be required nor permitted to modify its bid.
 29. **SUBMISSION OF BIDS:** Bid Submission through the online portal only, we will not consider bids sent by email, post, courier, or by hand.
 30. **DEADLINE FOR SUBMISSION OF BIDS:** Bids must be submitted by the bidders not later than the date and time specified in tender documents. The Purchaser may, at its discretion, extend this deadline for the submission of bids by amending the Bidding Documents, in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.
 31. No bid may be withdrawn interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the Bidder on the Bid Form. Withdrawal of a bid during this interval may result in the Bidder's forfeiture of its bid security
 32. **BID OPENING AND EVALUATION:** Technical Bid opened through online only as per date & time specified, Commercial Bid opened only to eligible bidders through online after evaluation of Technical Bid.
 33. **Clarification of Bids:**.. To assist in the examination, understanding, clarification, and evaluation of the bids the Purchaser may, at its discretion, ask the bidders for a clarification of its bids and may call for discussion. The request for clarification and the response shall be in writing and no change in the substance of the bid or increase in price shall be sought, offered, or permitted unless asked for.
 34. Purchaser will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
 35. Where the bidder has quoted and the bid security furnished is inadequate, the bid will be treated as non-responsive.
 36. Prior to the detailed evaluation, the Purchaser will determine the substantial responsiveness to the bidding documents. For purposes of these clauses, a substantially responsive bid is one, **which conforms to all the terms and conditions of the Bidding Documents without material deviations**. A material deviation is one that affects in any substantial way the functionality, scope, quality, or performance of the deliveries or which limits in any substantial way inconsistent with the bidding documents, the Purchaser's rights, or the bidder's obligations under the contract, and the rectifications of which deviations would affect unfairly the competitive position of other bidders presenting substantially responsive bids. The Purchaser's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.
 37. A bid determined as not substantially responsive will be rejected by the Purchaser and may not subsequently be made responsive by the Bidder by correction of the non-conformity.
 38. The Purchaser may waive any minor informality or non-conformity or irregularity in a bid that does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of the Bidder.
 39. All bid prices shall be in Indian Rupees only.

40. The evaluation and comparison of bids will be done on the basis of the total amount of all items together. price inclusive of supply, installation, testing & Commissioning including applicable taxes and duties as mentioned in the price schedule.
41. The comparison shall be on free delivery at site basis including unloading and inclusive of all taxes (sales, works contract, service, etc.) and duties (customs, countervailing, GST, etc.) of the goods offered. Such price includes all costs as well as taxes and duties paid or payable on components and raw material incorporated in goods as well as taxes and duties payable on finished goods and the installation & commissioning costs as per the provisions in the technical specifications.
42. Bidder shall contact the Purchaser on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded unless called in writing for discussion/ clarification, Any effort by a Bidder to influence the Purchaser in the bid evaluation, bid comparison or contract award decisions may result in the rejection of the Bidder's bid.
43. The determination will take into account the Bidder's financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the Bidders qualifications submitted by the Bidder, as well as such other information as the Purchaser deems necessary and appropriate including details of experience and records of past performance.
44. An affirmative determination will be a prerequisite for the award of the Contract to the Bidder. A negative determination will result in rejection of the Bidder's bid, in which event; the Purchaser will proceed to the next lowest evaluated bid to make a similar determination of that Bidder's capabilities to perform satisfactorily.
45. Banas Dairy reserves the right to negotiate prices with eligible lowest or all the eligible bidders before awarding the contract.
46. **Award Criteria:** The purchaser will award the contract to the successful bidder whose bid has been determined to be substantially responsive provided further the bidder is determined to be qualified to perform the contract satisfactorily. The Purchaser reserves the right to vary the quantities at the time of award of the contract, if the need arises, in consultation with the successful bidder
47. The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Purchaser's action
48. If the bid of the successful bidder is seriously unbalanced in relation to BANAS DAIRY's estimate of the real cost of the work to be performed under the contract, BANAS DAIRY may require additional performance security to protect BANAS DAIRY against financial loss in the event of subsequent default of the successful bidder under the contract. The value of the additional performance security shall be decided by the Purchaser based on mutual discussions with the successful bidder. The additional performance security shall be valid until the delivery of such items or as the Purchaser may decide. This security shall be released on a pro-rata basis with respect to the completion of execution of those items against which the additional security is obtained
49. No import license shall be provided by the purchaser for the goods offered against this bid

Eligibility Criteria

Bidder should have supplied similar equipment to one or more buyers in any of the last three years.

Note: Bidder is required to attach the documentary evidence of the same along with the bid.

General Terms and conditions for Bid

- In this Contract, the following terms shall be interpreted as indicated
- 1. The Contract" means the agreement entered into between the Purchaser and the Supplier, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein

- 10. The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information enumerated in Para except for purposes of performing the Contract.
- 11. The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from the use of the Goods or any part thereof in India.
- 12. **Inspection and Tests**
 - The Purchaser or its representative shall have the right to inspect and or test the Goods to confirm their conformity to the Contract. The Special Conditions of Contract and/or the Technical Specifications shall specify what inspections and tests the Purchaser requires and where they are to be conducted. The Purchaser shall notify the Supplier in writing of the identity of any representatives if retained for these purposes.
 - The inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at the point of delivery, and or at the Goods' final destination. Where conducted on the premises of the Supplier or its sub-contractor(s), all reasonable facilities and assistance including access to drawings and production data shall be furnished to the inspectors at no charge to the Purchaser. In case of any defects or deficiency notified by the Purchaser's inspection authority, the Supplier will rectify and make good the same without delay and not proceed with further processing of such item(s) of Goods without obtaining approval from the inspection authority
 - Should any inspected or tested Goods fail to conform to the Specifications, the Purchaser may reject them and the Supplier shall either replace the rejected Goods or make all alterations necessary to meet specification requirements free of cost to the Purchaser.
 - The Purchaser's right to inspect, test, and, where necessary, reject the Goods after the Goods' arrival at the destination shall in no way be limited or waived by reason of the Goods having previously been inspected, tested, and passed by the Purchaser or its representative prior to the Goods shipment from the country of origin
- 13. The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to temperature, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.
- 14. **Delivery and Documents:** Delivery of the Goods shall be made by the Supplier in accordance with the terms specified by the Purchaser in its Schedule of Requirements and the Special Conditions of Contract.
- 15. **Insurance:**
 - The Goods supplied under the Contract shall be fully insured in Indian Rupees or a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage at site, delivery, installation, testing commissioning, and up to handing over of the plant and equipment in the manner specified in the Special Conditions of Contract.
 - In supply-only contracts, where delivery of the Goods is required by the Purchaser on a CIF basis, the Supplier shall arrange and pay for marine insurance naming the Purchaser as the beneficiary.
 - The Supplier shall provide a copy of the insurance policy along with the invoice to the purchaser who will make arrangements to extend the validity of the policy, if necessary.
 - Should any loss or damage occur, the Supplier should initiate and pursue the claim till settlement, and Promptly make arrangements for repair and/or replacement of any damaged items irrespective of settlement of claim by the underwriters
- 16. **Transportation:**

- Where the Supplier is required under the Contract to deliver the Goods FOR Destination, as specified in the schedule of requirements, transportation shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price
 - Where the Supplier is required to affect delivery under any other terms, for example, by post or to another address in the source country, the Supplier shall be required to meet all transport and storage expenses until delivery
 - In all the cases, transportation of the Goods up to the project site shall be the responsibility of the Bidder and the cost thereof shall be included I indicated in the contract price
17. **Incidental Services:** As specified in the Special Conditions of Contract, the Supplier may be required to provide any or all of the following services
- Performance or supervision of on-site assembly and/or start-up of the supplied Goods;
 - Furnishing of tools required for assembly and/or maintenance of the supplied goods;
 - Furnishing detailed operations and maintenance manuals for each appropriate unit of the supplied Goods, and manuals covering the operation and maintenance of automation software and control systems.
 - Performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and
 - Conduct training of the Purchaser's personnel, at the Supplier's plant and/ or on-site, in assembly, start-up operation, maintenance, and/or repair of the supplied Goods.
18. Prices charged by the Supplier for the preceding incidental services, if not included in the price for the Goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged from other parties by the Supplier for similar services.
19. **Warranty/Guarantee:** The Supplier warrants that the Goods and equipment, supplied, installed, and commissioned under the Contract are new, unused, of the most recent or current models and incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that the Goods supplied under this Contract shall have no defect arising from design, materials, or workmanship (except insofar as the design or material is required by the Purchaser's Specifications) or from any act or omission of the Supplier, that may develop under normal use of the supplied Goods in the conditions obtaining in the country of final destination. The Supplier also guarantees that the Goods supplied shall perform satisfactorily as per the signed/rated/installed capacity as provided for in the Contract. This warranty/guarantee shall remain valid after the Goods have been delivered at site, installed and the plant successfully tested, commissioned, and accepted by the Purchaser. The automation systems, instruments, and controls will be guaranteed against system malfunction for a period of one year from the date of commissioning. Upon receipt of such notice, the Supplier shall, with all reasonable speed, repair or replace the defective Goods or parts thereof, without costs to the Purchaser other than, where applicable, the cost of inland delivery of the repaired or replaced Goods or parts from the port of entry to the final destination. If the Supplier, having been notified, fails to remedy the defect(s) within a reasonable period, the Purchaser may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.
20. **Payment:** The method and conditions of payment to be made to the Supplier under the Contract shall be specified in the tender document.
21. Invoices will be raised in the name of Banaskantha Dist. Co-Op. Milk Producers' Union Ltd., Palanpur.
